**Dr Matthew Perkins BDS MSc MClintDent MFD RCSI MRD RCSEd - BIOGRAPHY**

Matthew is a specialist periodontist who dedicates his practice to periodontology and implant dentistry. He is a founder and director of the MODUS Advanced Dental Clinic in Coventry.

He is the founder of practicalperio.org which provides periodontal education to dental and medical professionals in the UK and abroad.

Matt has lectured nationally and internationally on all aspects of periodontology and implant dentistry. Matt has lectured at the Dentistry Show, Dentistry Live!, the BDTA Showcase and other large and well reputed dental shows. His feedback is constantly positive and he regularly gets asked back to speak on different subjects.

After graduating from GKT in 2002, Matthew did VT and SHO posts in Cornwall, before working for the Royal Flying Doctors Service of Australia. Upon his return, he completed his MFDS and then did specialist training in periodontology at King's College, London whilst working in private practice. He completed an MSc in periodontology in 2008 and MClintDent in 2010. He was awarded his MRD RCS from the Royal College of Surgeons in Edinburgh and was entered

onto the specialist list in periodontology in 2010.

Matthew has extensive clinical experience in all aspects of periodontology and implant dentistry and has a particular interest in periodontal plastic surgery, regenerative dentistry and the treatment of peri implant disease. He has taught and mentored extensively in periodontology and implant dentistry.

He is a KOL for Philips and Hu Friedy and works with selected industry partners lecturing nationally and internationally.
